

Thank you for purchasing the **awave** brand series, which is a Atmos sound speaker specially designed for the non-destructive modification. They have all passed comprehensive tests to ensure its consistency and reliability.

- Before installing the mounting hole, please confirm that the installation space is appropriate.
- To prevent noise interference, make sure that the wiring is away from the engine, high voltage conductors and other potential sources of noise.
- To prevent short circuits, make sure that the wiring avoids moving parts and sharp edges.
- Before installing this product, please make sure that you have read this installation guide carefully.
